

# Choose AEON for your Communications and Networking Needs!

We Engineer It... We Install It... We Service It...

## Dedicated Internet Access

AEON offers enterprise class internet access services. A variety of options let you choose the connectivity that is right for your business.

## SD-WAN

Transform your WAN with secure, dynamic, network traffic management. SD-WAN is the right response to your multi-site connectivity challenges.

## Cloud Services

AEON Cloud Backup is an enterprise-grade direct-to-cloud backup solution that protects servers, desktops, laptops, tablets, and smartphones, all in one solution.

## VoIP (SIP/Hosted PBX)

AEON delivers professional communications capabilities with enterprise class features, all while significantly reducing your communications expense.

## Long Distance Services

Whether your company has traditional phone equipment or modern IP enabled systems, AEON has the right solution for your business.

## Digital Signage

AEON provides market leading digital signage solutions for internal corporate communications, retail, and large digital signage networks.
