

GREATER NEWARK
STEM ECOSYSTEM

National Inventors
Hall of Fame®

EDUCATION PROGRAMS

After the Convening **FREE PD WORKSHOP** I Can Invent®: A STEM Mindset for PreK-8

Hosted & led by the National Inventors Hall of Fame

One-hour workshop from 2-3p, following the Greater Newark STEM convening

- Experience the National Inventor Hall of Fame® Invention Education pedagogy
- Explore how the I Can Invent® Mindset empowers students from an early age
- Enable essential STEM skills like critical thinking, creativity, and collaboration
- Alignment with NJSLS for Career Readiness, Life Literacies and Key Skills

You Will Gain

- Immediate strategies to engage and empower students
- Access to free videos, digital resources
- FREE sample of Invention Project kit from the National Inventors Hall of Fame

Minimum of 10 participants, maximum of 40

Stay after the convening, or arrive anytime before 2 to participate

Register for Convening & PD

3rd Annual Convening

January 15, 2026, 9:00a-1:30p
