

NEW CREATION STATION!

Scenario #1

Zoey has always had a hard time loving Sally. They have been put together in a small group at church, so now they have to work together on projects EVERY Sunday. Zoey knows that Sally just accepted Jesus into her heart 6 months ago, and that no one in her family goes to church except her aunt, who brings Sally each week. Zoey's Sunday school teacher takes Zoey aside and asks her to look up **Proverbs 15:18** and apply it to her life when she's working with Sally. What is she asking Zoey to do???

Scenario #2

Summer used to have a problem with lying. She didn't mean to do it... it just came out! When she became a Christian, God came alongside of her and helped her become aware of this problem, but there were still times when Summer struggled. Last Saturday she was invited to go shopping with Millie, a friend from church. They had a great time and even got matching outfits in their favorite colors. When Zoey saw Summer at church the next day, she said, "Wow! You look so cute! Is that a new outfit?" Summer didn't want Zoey to feel badly that she had gone shopping with Millie, so she tried to make it no big deal and said, "No, it's just something I haven't worn for a while. How are you?" The outfit seemed to be forgotten until Millie walked in, wearing the exact same outfit. Zoey gave Summer a puzzled look, then turned away. Read **Ephesians 4:20-25**. What does Summer need to do?

Scenario #3

You have been faithful to the Whitestone girls club and are learning what it means to live for Jesus in your every day life. You have done SO well on your chart and gave almost a perfect record of stickers! Unfortunately you get sick and have to miss a week. You have the assignment and the verse to memorize, but you just don't get around to reading it or doing it! Thursday rolls around and you feel guilty for not being ready. You know you won't get a sticker for your verse or your assignment this week and you're super bummed about it. You think to yourself, "I should just quit. Everyone else probably did their homework. I'll never catch up, so what's the point." Your mom senses your discouragement and tells you to look up **2 Corinthians 4:16-18**. What two things is she asking of you?

To not _____.

To fix your eyes on _____.

NEW CREATION STATION!

Two more things to do before you move on to the next station...

1. Write out a **'thank you' to Jesus** for being patient with you as He works in your life, making you the girl He plans for you to be.

2. Go find your worksheet and **write out your scripture** on the bottom of the page (as we always do).
