

# Here on Purpose.

*Before I formed you in the womb I knew you,  
before you were born I set you apart...  
Jeremiah 1:5*

## **Main Idea?**

We are all \_\_\_\_\_ differently and \_\_\_\_\_ differently  
for a reason. Ask yourself,  
“How will God \_\_\_\_\_ where I am?”

## **Think About it?**

1. Tell us what makes you unique?
2. Describe the family and school/activities you are part of.
3. Can you think of a reason God might've put you in this family? In this school situation? In your neighborhood?
4. How do you know if you're fulfilling God's purpose for you in these places?
5. Who, in your life, can you start praying for today?

## **Make it Real!**

Think of one person in your life that you'll pray for this week, then find a way to encourage that person in your own unique way!

## **Hidin' THIS in my heart...**
