

# ENVISION HOPE: More Than a Game

**Impact. Inspire Kids. Build Leaders.  
Raise Character. Create Opportunity.  
Bigger Than Basketball.**

## Leveling the Court for Omaha's Youth

At Envision Hope, we believe every child thrive—regardless of financial circumstances. Through competitive basketball, mentorship, and life skills training, we equip young athletes with the tools they need for success on and off the court.

Founded by Coach Justin Carter, a former scholarship athlete whose life was transformed by the generosity of his community, Envision Hope was born out of a passion to give back. Today, Justin and his wife, Laura, lead a program supporting over 40 youth through full scholarships, covering training, travel, uniforms, and more.
