4. Cancellation

If the booking is cancelled by the hirer, refunds are made as follows:

- a full refund of deposit if cancellation is made not less than 1 month before the hire date.

Any other refunds will be made entirely at the discretion of the B&E Committee.

5. How to gain access

The Parish Administrator will tell you how to access the hall about a week before your event. You may well be given permission to get a key and by confirming the booking, you are agreeing to pay to replace the key if you lose it.

6. Remove fire door chains on arrival and keep the doors closed at all times to keep noise to a minimum.

7. Tables and Chairs

All tables and chairs in the hall are available for use during the hire period. Please stack all tables in the bays, making sure they are secure with the chains, at the end of the hire period. Please stack chairs around the edge of the hall (no more than 10 chairs in a stack).

8. Kitchen

Please leave the kitchen clean and tidy. You will need to bring all crockery and cutlery, kettle, bin bags, J cloth, washing up liquid and tea towel. If you *have* borrowed anything please make sure it has all been thoroughly washed and dried, and neatly returned to the appropriate cupboards. Please declare any

breakages. All surfaces to be wiped down with food-safe antibacterial spray, oven cleaned, cupboards clean and tidy, floors swept and mopped and you have removed any rubbish or food waste.

9. Heating

The heating instructions are on the board in the kitchen to the right of the hatch. The setting lasts for 4 hours and goes up in half hour intervals. This is only on in the winter.

10. Rubbish

****Please take all rubbish home with you** We will keep your deposit if you leave rubbish behind or use our external bins.**

11. Vacating the Hall

Please vacate the hall quietly, leaving it clean and tidy, by the end of the hire period – there is a mop, broom and a dustpan and brush in the kitchen. All clearing up should be done during the hire period. Please ensure that all external fire doors are securely fastened with chains.

12. Churchyard

Please ensure that the adjoining churchyard is not misused or damaged in any way: this is consecrated ground. Many of the memorials are quite fragile and could cause injury, especially to small children.

13. Alcohol and Smoking

Alcohol may be consumed on the premises within reason, but must not be sold there unless you have successfully applied for a Temporary Event Notice. Smoking is not allowed anywhere within the hall building.

14. Noise

Unreasonable noise can be a nuisance at any time of the day or night so please consider our neighbours - **keep the volume of music low** and ask guests to leave quietly after the event i.e. no revving of car engines, sounding horns, shouting or singing! **Keep windows and doors closed and do not use the car park for entertaining.** If we feel there has been reasonable complaint we reserve the right to withhold all or part of your security deposit.

'In accordance with the policy of Croydon Council, sound levels within the Church Hall or within the grounds of church property must not exceed 85 decibels (dB) at any time during a booking. This requirement is in place to protect the amenity of our neighbours who reside in close proximity to the Hall.

A decibel-monitoring device may be in the Hall along the same wall as the tables are stored. This monitor displays the current sound level throughout the event. If the sound level exceeds 85 dB, the display will show a red warning indicator. The device also records sound-level data, which the Church may review after any event, particularly in the event of a complaint.

If the recorded data shows that the 85 dB limit has been persistently exceeded, the Church reserves the right to withhold all or part of the hirer's deposit.

It is the responsibility of the hirer to ensure that any DJ, musician, entertainer, or other person whose activities may generate significant noise is informed of this 85 dB limit at the time of their engagement. The hirer is accountable for ensuring compliance with this requirement throughout the duration of the booking.'
