

# Gemini Gymnastics & Dance

## Family Cooperation Guidelines – August 2021

- Everyone entering the building must wear a mask.
- Before entering everyone will sign-in, have a temperature check, and answer a health questionnaire. Temperatures of 100.4 or higher will not be allowed in the building or to attend class.
- Staff will greet students at the door and bring them back outside after class. We prefer that you wait outside to limit the number of people in the building. If necessary, only one person may come in with the student and must wear a mask and maintain social distancing.
- Masks will be worn as often as possible. Staff will tell students if they may remove the mask to complete certain gymnastics tricks.
- Students must bring a bag to hold all of their belongings. Students will bring their own water bottle and hand sanitizer. Gymnasts' bags will have a station in the gym and dancers' bags will go with them to the dancers' designated space in the studios. Bring sufficient water for the session please. Water fountains will not be used.
- Gymnasts will use hand sanitizer between events. Dancers will use hand sanitizer when changing classrooms.
- Students will not share personal equipment such as grips, wristbands, deodorant, and water bottles.
- Students will maintain social distancing while in the building.
- The gym, dance studios, restrooms and common areas will be cleaned as often as possible throughout the evening and every day after classes. Shared gymnastics equipment will be cleaned between rotations.
- If anyone in the house feels ill, has any symptoms, or have been around anyone exposed to Covid-19, the student will not practice/attend class for 10 days.
- Out of state travel: Un-vaccinated Students who have traveled out of state may return to class 10 days after returning home (or 7 days with a negative Covid test).
- Students may not attend if anyone in the household is in quarantine due to possible exposure.
- If the student, anyone in the house, or anyone you are in contact with test positive for Covid-19, you must contact Gemini immediately by emailing [geminigymanddance@gmail.com](mailto:geminigymanddance@gmail.com) with the subject line COVID-19.
- Remain available during class time. Any student displaying symptoms or not cooperating will need to be picked up immediately.
- Any family that does not follow the guidelines will not be allowed to participate.
- Guidelines are subject to change.

Please sign to acknowledge that you have read, understand, and will follow guidelines. Keep a copy for your reference.
