

## East Falls Past--Summer Vacations in 1900

*The Fallser*, August 2006, by Wendy Moody

Below are samples of where Falls residents spent their summer vacations in 1900, as reported in the Weekly Forecast edition of August 2, 1900:

Miss Winifred Maloney, of Stanton Street, has been enjoying the ozone laden breezes of **Atlantic City** during the past week.

Professor O. P. Ely, of the Forest School, is spending his vacation at **Orr's Island**, on the coast of Maine.

Miss Sadie McMurtrie, of Bowman Street, is on a two-week visit to friends in **Trenton**.

The Misses Ada and Florence Cole, accompanied by Miss Mary Broadhead, members of the Jolly Social, will be among the visitors to **Cape May** next Saturday.

Clothing salesman Daniel Hickey, who is also well known in terpsichorean circles, will take in the ten-days excursion to **Niagara** during his vacation.

Mrs. G. H. Newhall, of Queen Lane, has been spending two weeks at **Naragansett Pier, R. I.**

We know you are all going, but this is just to remind that August 4, next Saturday, is the day when the great excursion to **Augustine Park**, on the steamer Twilight, takes place, under the auspices of the Chamounix Boat Club. Any member will supply you with a ticket.

Miss Ada Barrett, of Cresson Street, is touring **Europe**, during which she will take in the Paris Exposition, returning the latter part of September.

**And on the political front:**

**August 2, 1900: The People's Choice:** Ha! Ha! I told you so. I told you our friend Harry Snagg would some day rise in the world. This comes from the reputation he has gained from selling Crane's Ice Cream, and also his established popularity as a dealer in nothing but the best in the oyster and clam trade. His is the only place where you can procure fresh and palatable bivalves every day of the week. Do you know that he is a candidate for Delegate to the City Treasurer's Convention? Don't forget him on election night. Vote for him and get your friends to do likewise, for he has always been a straight Republican. (Submitted by) Harry Snagg, Thirty-fifth (Conrad) and Sunnyside Avenues.
