

THE CENTER FOR GIFTED ~ MIDWEST TORRANCE CENTER FOR CREATIVITY

Spring '23 Weekend Wonders in Elmhurst and Long Grove!

FOR BRIGHT, CREATIVE STUDENTS IN 1ST-5TH GRADES

Elmhurst - Saturday April 15

AM Session

Wind-Powered Candy Cars

Investigate the power and physics of wind as an energy source as you construct your own wind-powered candy car. Explore Bernoulli's principle and others as they apply to energy conservation.

PM Session

Duct Tape Design

Unleash the power and potential within a humble roll of tape. Decorate your guitar, backpack, jeans, phone, ipad, locker, book covers. Create your own fanny pack, origami flowers, pen tops, rings, face mask, magnet, jewelry, purse, wallet. Bring your own ideas. The artistic and practical possibilities are endless! *(Tapes will be provided, but you are welcome to bring your own.)*

Long Grove

Igniting Imaginations Since 1983!

The Center for Gifted is a 501(c)(3) not-for-profit educational corporation.

The Center for Gifted does not discriminate on the basis of race, color, gender, religion, or national or ethnic origin in matters of admissions or services.

Joan Franklin Smutny, Founder and Director

The Center for Gifted offers inspiring learning experiences in small, peer-group classes, in controlled, safe, nurturing environments. Due to the current diversity of opinions and protocols regarding face masks, we have found it effective and practical to place the issue in the hands of the individual families, thus enabling them to exercise their own discretion
