

Is Remote Learning "TURNING OFF" YOUR CHILDREN?

Send Them to Us... In Person!

Our talented faculty will supervise and support your children during their remote learning, and at the end of the day provide fabulous, fun, hands-on courses and activities.

We will ensure that all students....

- Sign in at the appropriate times to join their remote classes
- Complete their homework and assignments, and turn them in on time
- Receive homework help, guidance, and encouragement whenever needed

Out of necessity, programs are small and enrollment is limited.

We follow CDC guidelines regarding COVID-19
