

Dear Attendee,

On behalf of the West Virginia Public Health Association, I would like to thank you for registering to attend our Annual Conference at Canaan Valley Resort. As you probably know, this year is the 100th anniversary of our Public Health Association and we are very excited to celebrate, honor and build upon the rich history of public health in our great state. We recognize the great work you do every day to keep the citizens of West Virginia safe.

It is our goal to provide an outstanding conference that will encourage partnership and training opportunities for everyone who attends. To do this we put together an agenda that we believe will be fully engaging and beneficial. Again, thank you for being a vital part of public health in West Virginia and we look forward to seeing you in September!

Sincerely,

Jimmy Casdorph
WVPHA President
