CREDIT CARD CONSENSUAL SECURITY INTEREST

You grant us a security interest in all individual and joint share and/or deposit accounts you have with us now and in the future to secure your credit card account. Shares and deposits in an IRA or any other account that would lose special tax treatment under state or federal law if given as security are not subject to the security interest you have given in your shares and deposits. You may withdraw these other shares unless you are in default. When you are in default, you authorize us to apply the balance in these accounts to any amounts due. For example, if you have an unpaid credit card balance, you agree we may use funds in your account(s) to pay any or all of the unpaid balance.

By signing or otherwise authenticating below, you are affirmatively agreeing that you are aware that granting a security interest is a condition for the credit card and you intend to grant a security interest.

Your Annual Percentage Rate may vary depending on your creditworthiness. Please ask a loan officer for details regarding how your rate is determined.

Share Secured: The Annual Percentage Rate (APR) for advances secured by 100% of regular shares will be equal to the dividend rate being paid on the regular share account offered as security for the advance (Index) plus 2% (Margin). The loan must be secured by 100% of shares at all times; failure to do this will result in default under this plan. The APR and Daily Periodic Rate (DPR) will be disclosed on the voucher at the time of the advance.

Share Certificate Secured: The Annual Percentage Rate (APR) for advances secured by share certificates will be equal to the dividend rate being paid on the certificate being offered as security for the advance (Index) plus 2% (Margin). The certificate must be continuously renewed until the advance has been completely repaid. Accordingly, the loan's interest rate may change, in correlation to the Certificate's renewal rate. Failure to renew will result in default under this plan. The APR will not exceed the maximum rate permitted by the Federal Credit Union Act. The APR and Daily Periodic Rate (DPR) will be disclosed on the voucher at the time of the advance.

Collection Costs: You promise to pay all costs of collecting the amount you owe under this agreement including court costs and reasonable attorney fees.

Loan Documentation Fee: Promotion Loans will be charged a \$30.00 processing fee. All other loans, including Refinanced loans, will be charged a fee of \$40.00 to cover the cost of documents and other printing costs. Loans that include DMV processing will incur a processing fee of \$78.00.

"Self Help" Repossession: Louisiana law permits repossession of motor vehicles without judicial process.
