

The background of the poster is decorated with various stylized illustrations of human ears and hearing aids. In the top left, there's a brown ear and a teal ear with a blue hearing aid. On the left side, a blue hearing aid is shown. In the bottom left, there's a blue hearing aid and a brown ear. At the bottom center, there's a grey hearing aid and a brown ear. In the bottom right, there's a teal ear with a blue hearing aid and a red ear. The text is centered on the right side of the poster.

# HEARING IMPAIRED

## Networking Event

**Join us for an educational and networking event for children with hearing impairments, from elementary to high school ages, to learn about hearing loss, develop self-advocacy skills, and connect with peers.**

**The event will be led by Kate and Kylie Miller, who are identical twins both born with hearing loss and studying to be future audiologists.**
