- Transportation fee of \$300 for any location 2 hours+ from **Le Pepite Frenchies**.

### Expectations:

- Dam owner and owner of litter must provide Le Pepite Frenchies a copy of current and up to date vaccination records. – do not vaccinate pregnant females
  - All Le Pepite Frenchies pets are guaranteed up to date on current vaccinations.
- Upon pick up of dam and litter from the c-section or delivering puppies to Le Pepite Puppies please provide 1 box of puppy pads, 1 box of baby wipes, and 1 bag of current food the Dam is on. – feel free to send along anything that you might think is useful or comforting.
  - Exclusions: nipple towers will not be used.
- Should any emergencies or concerns arise, litter owner will be notified at once.
- The owner of the litter will be notified as to what emergency facility or veterinarian Le Pepite Frenchies will be using in the event the owner is not available to take the puppy/puppies themselves.
- All calls with the veterinarian concerning diagnosis will be done so with all parties included: Litter owner, Le Pepite Frenchies, and Veterinarian.
- Owner is responsible for all veterinarian expenses and will be paid at time of the vet visit.
- Owner will have access to all records involving the dam and litter.
- Owner may come to the house to inspect the facility at any given time. Please call 10 minutes before arrival.
- Owner may request to facetime, videos, and photos at any time.
- Should the owner pick up dam and litter past the planned pick-up day – without previous discussion of extension, an extra \$150 per day will be charged.
- **Le Pepite Frenchies guarantees puppies and dam will be kept in a clean and sanitary environment at all times, in their own room.**
- **At NO POINT will ANY Le Pepite Frenchies personal pets, or breeding animals come in contact with the litter being whelped.** As well as anyone other than Danielle Harris, David Viar, and Owner of the litter.
- **At NO POINT will Le Pepite Frenchies have more than 2 whelping litters at one time – Including our own litters.** This will guarantee proper attention given to both litters, should there be 2.
- Deworming is included with the whelping price. Vaccinations requested to be given at 7 weeks will be an extra \$20 per pup.
- **Le Pepite Frenchies is not responsible for any loss of puppies.**
