Membership Consent Form for Collection, Use and Disclosure of Personal Information – OHA District 10

The SCHS is required by Federal Privacy Legislation (PIPEDA) to have each member sign a consent form, annually, allowing the society to collect, use and disclose personal information according to specific guidelines. All information provided will remain strictly confidential within the Strathroy-Caradoc Horticultural Society and will not be distributed to any third party, other than those affiliates deemed necessary in the operation and business of the Society. We understand the importance of protecting your privacy and are committed to the collecting, using and disclosing your personal information in a responsible manner.

Our society will collect, use and disclose information about you for the following purposes only:

- To contact you, including by electronic communications which may contain commercial electronic messages, at the email address you provided, or any future email addresses you may provide
- To communicate with other Horticultural Associations groups (Association, District, and Societies).
- To send out pertinent information such as newsletters.
- To keep an accurate membership list.
- To comply with legal and regulatory requirements including information to the Ministry of Agriculture and Food.
- To deliver pertinent information to the insurance carrier.
- For teaching and demonstrative purposes on an anonymous basis.
- To assist this society in complying with all regulatory requirements within the law.

Member Consent: I have reviewed the above information and agree that the Society may collect, use and disclose personal information about me as set out above. I understand the members of the Strathroy-Caradoc Horticultural Society, including executive members, are volunteers of the Society and as such are immune from civil liability for any act or omission resulting in any personal loss, insult or injury incurred in the activities of the Society.

The SCHS and its governing organization, the Ontario Horticultural Association are volunteer charitable organizations that encourage interest in gardening and related environmental issues with horticultural societies and like-minded organizations by providing leadership and education. While many of our volunteer opportunities are currently on hold due to COVID, we do hope you explore what we offer and discover something that you are passionate about to help support the ongoing health and wellness of our society.

Membership is valid until December 31, 2021. If purchased on or after September 2021, membership is valid until December 31, 2022.
