I have seen the things that have been happening. I have set the course of My plan. I have not deterred from My course. Nothing the enemy does shakes Me. My perfection will stand. When the Perfect comes, all will be established.

My grace is sufficient. My grace IS the POWER to overcome and conquer all your foes. Your foes are not flesh and blood although they manifest through many. I stand at the door and knock on their hearts, wanting them to open the door and let Me in, so I can give them rest for their wounded souls. Pray for them; they are not your enemies. Yes, many have partnered with the enemy, but more have not. They are greatly deceived. Call to Me for them! Call to Me for them! I want to release them from their cages. My grace is sufficient. My grace can open doors no one sees but Me. Pray! Intercede! Watch My hand at work among the nations! Yes, the nations!! I will stand with Justice in My right hand, and nothing will be able to hide from My wrath for what has been done to MY unborn! Yes, wrath!

Grace to overcome stands in the balance, and I see who is in My way. They will know I see them before long. STAND! STAND! STAND! DO NOT WAVER IN YOUR STANCE! My grace is sufficient in this hour, and yes, this is the hour to overcome, says the LORD of Hosts!

Amen! Thank You, Jesus for Your Word, Your grace, and Your Love! All praise and honor to our Father through His Son, Jesus Christ, the Lamb of God who takes away the sin of the world. Amen!
