To the residents of Bath Township,

I am happy to announce my re-election campaign for the Bath Township Board of Trustees.

As a current Trustee, residents ask, has it been four years already. My answer is “Yes, it’s amazing how fast the years have passed”. The support of Bath Township residents is humbling and I am always grateful for the opportunity to help Bath Township continue its legacy as one of our region’s finest communities and a great place to work, live, and raise a family.

If re-elected, many of my first-term goals will remain the same including responsive Township services such as Police, Fire, Service, Roads, Parks, Zoning, and Administration. The recently updated Bath Township Comprehensive Plan will serve as my guide for any future development plans/decisions in Bath. I will work to keep the rural character of the Bath by supporting parks and zoning regulations. I promise fiscal responsibility with an eye on how property tax legislation will affect Bath Township and its residents.

I look forward to the opportunity to serve you again as a Bath Township Trustee and I humbly ask for your vote in this election.

Thank you,

Sean Gaffney
