

Cathedral '74 Reunion Video

We are putting a video together for the 50th. Here are some simple instructions for recording and then how to send them in.

Hold camera still or place it on something

Horizontal orientation is better than vertical

Head and shoulder shots work the best but do whatever feels right for you!

State your name at the top of the video.

Keep answers to the point (we can always edit)

Take a breath in between subjects or record separately.

Start with the question as part of the answer:

Examples:

“My favorite hangout at Cathedral was the glass doors because I knew I could always meet friends there...”

“The one naughty thing I did or the one I want to mention is...”

If you do not want to record video, please send us photos – from our time at school and beyond!

Here are instructions for sending in your videos and photos

You can send multiple files but they must be under 2 minutes each. When sending, if prompted, select medium or large file size. Please send them in as soon as possible but no later than August 18. If you can't attend, you can still send it video!

Send all footage and photos to: reunion@cathedral74.com

If you run into any issues or need assistance, please text Carlos at 414.745.6551
