

Policy statement

Part 1: Statement of intent

This is the health and safety policy statement of:
Crystal Academy: Aerial Arts and Dance

Our health and safety policy is to:

- Prevent accidents and cases of workplace related ill health.
- Manage health and safety risk in the workplace.
- Provide clear instruction, information and adequate training, to ensure employees are competent to do their work. This includes credited and non-credited qualifications and staff training.
- Provide first aid kits in both studios, with at least FA trained staff in the premises at all times, where possible.
- Implement emergency procedures, including fire and evacuation.
- Review and revise all policies and procedures yearly.
