Address: SW8 5EY Billington Mansions, Flat 3, London

Phone: +44 07543705427 | Email: borasenus@gmail.com

LinkedIn: www.linkedin.com/in/borasen | Portfolio: www.borasenportfolio.com

Education

2024: Executive Micro MBA, DESEM - 9 Eylul University, Turkey

2024: BSc Product Design Engineering with Placement, Brunel University London, UK
International Excellence Scholarship (18,000 GBP) | Upper Second-Class Honours (2:1)

Work Experience

2022 (1.5 months): Product Design Intern, CMS Wheels | cms-wheels.com

- Worked as a Product Design Intern in the Aftermarket department, where I gained extensive knowledge in sketching, prototyping, and designing automotive rims for various markets and clients, focusing on structural integrity, material selection, and production processes.
- Applied insights from my **Custom Rim Project** at **Brunel University**, where the knowledge and skills gained during this internship were invaluable in refining my final year project, further enhancing my design approach and technical expertise.
- Designed and 3D prototyped a **concept rim** for the newly released **Bentley Mulliner Batur**, applying insights gained from the design and prototyping phases.

2022 (1 month): Product Design Intern, DesignUM (Arzum) | design-um.com

- Independently led the design and completion of the **Turkish Electric Coffee Grinder** project, which can be further explored from my portfolio, from concept to prototype.
- Provided support to ongoing office projects by offering feedback and suggestions based on my design knowledge.
- Received valuable feedback and insights from **Ümit Yalçın**, one of Turkey's most successful designers, which helped improve and refine my project.

2020: Packaging Designer (Freelance), Incir Evi | incirevi.com

- Contributed to design process of product packaging,

2019 (1 month): Product Design Intern, Dogo | dogostore.com

2016 (1 month): Graphic Design & Brand Management Intern, Brandoves

Technical Skills

- **Design Software:** Adobe Illustrator, Photoshop, InDesign, Premiere Pro, Figma
- **3D Modeling & Prototyping:** SolidWorks, KeyShot
- **Programming:** Microsoft Visual Studio (C)
- **Productivity:** Microsoft Office (Excel, Word, PowerPoint)

Languages

- **Turkish:** Native
- **English:** Proficient (IELTS: 7.0)
- **French:** A1
