Direct Implications + Contagion Areas

* Whilst these cases are shown as pending, the relevant individuals at these organisations have been notified regarding The Good State Project's intention to lodge formal proceedings in 2027

(i) Chamber President of the Upper Tribunal has been formally notified; (ii) Chamber President of the GRC has been formally notified; and (iii) legal representatives of the ICO have been formally notified

With regards to the documented breaches by the GRC and ICO, evidence of poor functioning at both these institutions has already been provided to the Administrative Court as part of another ongoing case
