Principal v MI6 (pending joinder of MI5)	Employment Tribunals	Live

“Live” = in active proceedings within the relevant court or tribunal

** “Being Sealed” = a formal application has been made to the relevant court and its clerks are currently reviewing the application for basic standards of formatting, necessary documents, and generally completed accompanying paperwork before applying a ‘seal’ to the application and allowing the documents to be served on the public body*

*** “In Pre-Action” = prior to formally commencing proceedings by applying to the relevant court, the problem is raised formally within a Pre-Action phase, with detailed context, legal grounds and proposed remedies being shared between both parties in order to reach a mutually acceptable resolution. If this is not possible to agree, formal proceedings will be initiated at the relevant court. All documents and engagement related to Pre-Action is part of the formal submission to the relevant court*
