HOT NEWS

We are proud to announce that our *Funky Monks* has been named **Best Beer in Africa** in the African Beer Cup 2026. The honours did not stop there, with *Californicator* and *Sweet Mary Jane* also taking gold. *Happy Pills* and *Sugarman* brought home silver, rounding out a mighty showing for our brewery. A proud moment for our brewers, our beers and every pint poured at Woodstock.

BARREL AGED GREATNESS

Barrel aging smooths the beer over time while adding subtle notes from the wood. It also allows the beer to absorb the character of the barrel's previous contents, creating a flavour that's greater than the sum of its parts.

SWEET MARY JANE

BARREL-AGED TRIPEL

ABV: 9% IBU: 20

330ml Bottle: R 90

Bright orange, nutmeg, sandalwood and Belgian spice lead into layers of biscuit, stone fruit and sweet white wine notes with a surprisingly dry finish.

SUGARMAN

BARREL-AGED QUADRUPEL

ABV: 10% IBU: 38

330ml Bottle: R 90

Syrah barrel-aged, packed with notes of dates, raisin, caramel, vanilla and warming Belgian character, balanced by subtle red wine notes.

EXPERIMENTAL BREWS

Always changing, always worth trying. A rotating selection of experimental brews straight from the brewery.
