

# GOOD SAMARITAN FOOD PANTRY

## COVID-19 Update November 01, 2020

Beginning in November 2020 we will be using the following procedures for picking up your food boxes and extra items. We will go back to being open every Wednesday from 2:00-3:00 and Saturday from 10:00-11:00. These procedures are being followed in order to ensure the safety of our clients, volunteers, and our community. We appreciate your flexibility and your willingness to follow these procedures to help everyone.

1. No one will be allowed in the building before 2:00 on Wednesday or 10:00 on Saturday no matter what the weather is. Please do not come early to the pantry.
2. When you arrive at the pantry you may line up on the ramp area heading down to the church door. Taped X's will be on the ground. Please keep the required distance between you and the other clients. If the X's are full please wait in your car until the line goes down. If the weather is bad, please wait in your car until the line goes down.
3. Only 3 people will be allowed in the church pantry area at a time. A volunteer will be at the door to let each client know when they may enter the building. Please have just 1 person per family pick up if possible.
4. You must wear a mask to enter the building. If you do not have a mask you will be asked to wait in your car until someone can bring your box of food to your car. Hand sanitizer will be available as you enter and exit the building for your use.
5. The procedures in the building will be the same as usual. You will enter and check in at one of the computers. Then you may circle the room and pick out items we have available. Please allow 6 feet of space between you and the other 2 clients in the room. Volunteers will be stationed around the room to help you. You will exit the room and a volunteer will take your box and items out to your car with you.
6. We are still offering the option of picking up both of your boxes in one trip for the month so you only have to come to the pantry once a month. This service is optional. You may still come twice a month if you want.

AGAIN THANK YOU FOR YOUR COOPERATION!!
