

Good Samaritan Food Pantry

COVID-19 Update

March 24, 2020

In our continuing effort to keep our volunteers, clients and community safe we will be cutting our food pantry hours in half for the month of April and May. You will still have 5 opportunities to pick up food and Wednesday and Saturdays will still be available. If you wish you may pick up both of your boxes on your first trip of the month so you only have to come to the pantry once.
