PHOENIX HISPANIC NETWORK

31 OCTOBER 2025

Día de los Muertos, or Day of the Dead is a celebration, rooted in Mexican culture and observed across Latin America and beyond. It is a time to remember and honor our loved ones who have passed away. Far from being a day of sadness, Día de los Muertos is a joyful tribute filled with color, music, food, and memories. It reminds us that those we love never truly leave us; they live on in our stories, our hearts, and our traditions.

From October 31 to November 2, families welcome back the spirits of their loved ones with ofrendas (altars), marigolds, candles, favorite foods, and memories.

This year, PHN members came together to create a virtual ofrenda, sharing photos and tributes that reflect the deep connections we hold with those who came before us. In addition, a beautiful in-person ofrenda was displayed on the 10th floor of City Hall, inviting staff and visitors to pause, reflect, and celebrate life. To honor this meaningful effort, we created a video that captures the spirit of both ofrendas and the stories behind them. Watch the video now on our YouTube channel and on the PHN website.
