PHOENIX HISPANIC NETWORK

28 MAY 2026

## ELECTIONS

We are truly grateful for the incredible interest, enthusiasm, and dedication shown by our members throughout this election cycle. Each application reflects the heart of PHN's mission to educate, develop, encourage, and uplift diverse leadership across the City of Phoenix. Your willingness to step forward demonstrates a genuine commitment to community, professional growth, and creating meaningful opportunities.

Over the coming weeks, our team will continue reviewing applications and preparing for the upcoming transition. We are excited for the journey ahead and look forward to welcoming our new PHN Board this July. With each new Board term, we renew our commitment to collaboration, professional development, cultural celebration, and service to our City of Phoenix community.

Please stay tuned for the official announcement next month. Until then, thank you once again to every applicant and every member who continues to support PHN. Your passion strengthens our network, inspires our work, and ensures we continue building a more connected, empowered, and inclusive future together.

### Mama Y Papa Highlight

To the incredible parents our PHN members shouted out this month: thank you for showing us what familia truly looks like here in the City of Phoenix. You're the ones who show up with love, strength, and unwavering support every single day and our community is better because of you.
