

PHN NOTICIAS

February 2024

Hola PHN Familia! 2024 is here and as you may all know, IN FULL GEAR.

Last month PHN held a workshop hosted by our friend, **Angelee Lopez**, founder of **Manifest House**, where we discussed intension setting and created virtual vision boards for 2024. Angelee shared helpful tools on how to de-stress and plan out our goals for the new year.

In celebration of **Black History Month**, we partnered with the **National Forum for Black Public Administrators (NFBPA)** to celebrate **Afro-Latino culture**. The various food trucks and presentation by Kawambe Omowale were both a success, thank you to all who came out and supported!
