Virtual Ofrenda Picture Submissions!

We welcome **all** City of Phoenix staff to start submitting pictures of your passed loved ones to our PHN inbox for our virtual ofrenda slideshow. The deadline for picture submissions is **Friday, October 18th by 5pm.**

These pictures can be of passed family members, friends, and pets. Please be sure to rename your picture(s) with the name of the loved one pictured. In case you missed last year's, click on the image above!

Where is the PHN Conference?

In an effort to support our National affiliation, Local Government Hispanic Network (LGHN) and their annual conference, we have decided to temporarily pause our bi-annual conference this year and encourage you all to attend the LGHN conference on January 27-29, 2025 at the Mesa Convention Center.

Please reach out to us for any questions regarding LGHN!

Can't make it to the LGHN Conference and want to connect with other PHN members? We will be hosting a networking event in the coming months to welcome all new members, say hello to our veteran members, and gather as one to connect and have fun! Our annual Professional Development Fair is another opportunity to connect with other PHN members. If you know of any vendors that may be interested, please email us with their contact information.

PHN EXCLUSIVE

Due to high interest, we will be placing one more order to restock our special edition PHN women's polo.

If you are interested in purchasing one (\$30) please email us with your name and size. We still have the men's special edition polo in stock if you are interested in the men's cut. Thank you to all who have purchased and already rocking the polo!

Interested in volunteering?
