Broiler chicken order form

Hello and thank you for your interest in our pasture raised chickens. Please select a quantity and date that you would like to pick up your chickens. Pick up location is 8934 Rhoden Loop Rd. S., between 2-6 pm. Please bring a cooler with ice for transporting your chickens home.

Picking up your chickens from the farm allows us better planning, and saves us freezer space for storing birds. For this reason we offer a discount for pickup orders. We do not require a deposit for chickens, however folks who do not pick up their birds when requested will be taken off of our pickup list.
