

Patient Application for Primary Care Provider

Eagle Creek Medical Clinic · Western Communities Primary Care Network (PCN)

We are accepting applications for patients (who are not in Long Term Care) to join various primary care practices over the coming 15 months. **Each individual (even within a family) must complete a separate form.** Patients will not be told their position on the waitlist. **Meet and greet bookings will take place between October 2020 and December 2021.** Patients will only be called **twice** and then removed from our waitlist.

Name: _____
