OUR MISSION

D-Smilez mission is to help individuals and/or families that have had a tragic death/event or have dealt with a suicide. We will provide financial support, therapy, education, and special wishes of the individual and/or family.

We have all witnessed or dealt with a tragic loss/event or suicide in our lives. D-Smilez is in honor of our special friend and partner, who tragically died suddenly July 16, 2022 of an aortic dissection, Derek Sorenson. Derek was filled with fun, laughter and smiles. He wanted to make sure someone smiled everyday because you didn't know what that person was going through in their life. In essence, Derek was D-Smilez.
