Vendor Terms of Entry - Please read completely:

- There is no overnight camping. Please contact local RV parks and motels for reservations well in advance.
- Vendors provide their own tent and display furniture.
- No early takedowns. If you takedown early, you run the risk of being banned from future Street Markets.
- We may experience coastal fog and drip; bring something to cover your items.
- All belongings must be inside your tent at night, covered and secured. Zippered tent sides are recommended!
- Vendor spaces on asphalt therefore; all tents must be weighted. Expect some wind in the afternoon therefore a properly weighted tent is required. Tent weights strapped to each leg or heavy weights that slide over each leg are great options. 40 lbs per leg is a great rule of thumb at any outdoor venue. Vendors must be physically able to erect tent and set up. We cannot provide help. NO on-site water available. **COME PREPARED.**
- Friday and Saturday overnight security patrols provided; however, we cannot guarantee your booth will be free from theft or damage.
- No pets allowed in your booth (except service dogs).
- Vendors are required to monitor and keep their spaces clean of spills and trash.
- Merchandise that has the potential to create a nuisance, such as string-shooters, bomb bags or water guns are prohibited to be sold. The Azalea Festival Committee reserves the right to prohibit the sale of such items.
- Firearms, alcohol and controlled-substance paraphernalia are not permitted for sale or raffle.
- Vendor cannot elect to add merchandise categories not listed on application.
- By participating you authorize any party to produce videos, take pictures & record sound in connection with promotion of the Azalea Festival. Further, you assign and transfer your right for use and publishing electronically or in print.
- VENDOR agrees to use and pay for space as described and stay within their assigned space. Space assignments are final.
- VENDOR agrees to accept space assigned and will not sublet to anyone else.

On-Site prepared FOOD PREPARER VENDORS:

- VENDOR agrees to sell only food/beverage specified on their application form.
- VENDOR agrees to use qualified labor at all times.
- VENDOR will provide their own on-site trash can and will dump trash cans in the dumpster provided only.
- All pertinent laws, ordinances and regulations pertaining to health and public safety shall be strictly observed. VENDOR shall have appropriate license, insurance and local health department permit.
