

JOSH PALMER FUND

# 2026 ELMIRA HOLIDAY CLASSIC

Coach & Team Information • December 27-30, 2026

## ON-SITE TOURNAMENT INFORMATION

- 1 Official Scorebook** One official tournament scorebook will be kept at the scorer's table. To avoid space issues and scoring discrepancies, team scorekeepers should keep their books on or behind their bench rather than at the table.
- 2 Statistics & Media** Each team will receive a detailed statistical printout after its game. Copies of the official book and stats will be available following each game, and tournament staff will distribute results to media outlets. Game stats will also be posted at [joshpalmerfund.org](http://joshpalmerfund.org).
- 3 Home Team & Uniforms** The bottom team on the tournament bracket is the home team. If Elmira appears on the top line of the bracket, Elmira will retain home-team status. The home team wears white and sits to the right of the scorer's table when facing the court.
- 4 Tournament Game Ball** One tournament game ball will be used for all games in the interest of consistency and fairness. Both teams will play with the same tournament ball.
- 5 Warm-Up & Practice Basketballs** Teams do not need to bring basketballs. Basketballs will be provided for tournament games and practices.
- 6 Shot Clock** The tournament uses a shot clock.
- 7 Officials** Three officials will work every game.
- 8 Media Contacts** Please provide tournament staff with your media contacts in advance. We can send tournament statistics and results to your media outlets daily. If your team prefers to handle its own media distribution, please let us know.
- 9 Athletic Trainer** A full-time athletic trainer will be on site at each location for the duration of the tournament.

**Tournament staff and volunteers will be available throughout all four days.** The 2026 master schedule uses a standardized Game #1-#40 sequence; please use the game numbers, times, and venues in this packet for all team communication.
