*This show is a fun, lesson-barn friendly show. If one horse is ridden by more than one rider in the same class that is ok. There is no limit to the number of classes a horse can do as lesson horses are often shared, just know your horse and don't overdo it. Bitless bridles are allowed in all classes.

Class descriptions:

On the Rail classes are intended for those wanting to get a start in dressage but aren't ready to tackle a pattern or aren't ready to canter which the dressage seat equitation requires. Classes will be held in the dressage arena but will be on the rail, walking and trotting with hunter-style change of direction (turn around to the inside, not a diagonal). No back up required.

The **double bareback** class is for those wanting a challenge! In the double bareback class 2 riders will ride the same horse (at the same time-hence the "double") through a dressage test. You may choose your test.

The **coaches help** dressage test is designed for those wanting to do a dressage pattern but aren't quite ready to do the patten with the reader just reading the directives. The coach may walk along, stand inside the arena, or stand along the rail. The coach may direct the rider where to go and give tips along the way. This class is designed for those not experienced in dressage, or young riders that are still working on their pattern.

The **adult newbies** class is for those brave adults that are new to the dressage world and tackling their first class! Pick your test! You may walk the whole test if you'd like as well! The goal of this class? Survive and HAVE FUN!

Attire: **ASTM helmets are required at all times when mounted.** Formal attire is **not** required. Breeches and paddock boots or tall boots for English, jeans and cowboy boots for western. Braiding optional.

Stabling: \$30/night permanent stalls on grounds available from 3PM October 17th through end of the show. **Overnight stabling is limited and stalls will be filled on a first come, first serve basis. There are plenty of stalls for those hauling in the day of the show.** Stalls have dutch doors. If full stall door is needed, please let management know so appropriate stalling can be arranged. Bedding available for purchase, \$8/bag. **Stalls must be left cleaned. If you do not want to clean your stall you can pay \$15 for stall cleaning and we will clean it for you.** Haul in fee of \$15 for non-stabled horses. Those paying haul in fee only are not to use the stalls in the barn or crosstie in the barn. If you pay haul in only please keep your horse tied to your trailer when you are not riding. **NO DOGS ALLOWED ON PROPERTY.**

Facilities: Restrooms in barn, fast food near by

Arena: Intro level will be in a 20 X 40 M ring, 1st level and above in a 20 X 60 M ring. Basic and training level ring size will depend on entries and scheduling.
