### 1. About Cookies

The Site uses cookies and similar technologies, such as pixel tags, web beacons, clear GIFs, and JavaScript, to enable us to recognize your web browser and tell us how and when you visit and use our Site, to analyze trends, and to operate and improve our Services. Cookies are small files placed on your computer, tablet, phone, or similar device, when you use that device to visit a Site. We will refer to cookies and similar technologies simply as "**Cookies**" for the remainder of this Cookie Policy.

### 2. How We Use Cookies

We use Cookies for a variety of reasons detailed below. In most cases, there are no industry standard options for disabling cookies without completely disabling the functionality and features they add to this Site. It is recommended that you leave on all Cookies if you are not sure whether you need them, in case they are necessary in order for us to provide a Service that you use.

**Essential or Strictly Necessary Cookies.** Essential or Strictly Necessary Cookies are required for providing you with features or services that you have requested. For example, certain Cookies enable you to log into secure areas of our Site. Disabling these Cookies may make certain features and services unavailable.

**Functional Cookies.** Functional Cookies are used to record your choices and settings regarding our Services, maintain your preferences over time and recognize you when you return to our Services. These Cookies help us to personalize our content for you, greet you by name, and remember your preferences (for example, your choice of language or region).

**Performance/Analytical Cookies.** If used, Performance/Analytical Cookies allow us to understand how visitors use our Site, such as by collecting information about the number of visitors to the Site, what pages visitors view on our Site, and how long visitors are viewing pages on the Site. Performance/Analytical Cookies also would help us measure the performance of our advertising campaigns in order to help us improve our campaigns and the Services' content for those who engage with any of our advertising.

### **3. Disabling Cookies**

Most browsers are set to accept cookies. Using the "help" feature on your browser (e.g., Google; Microsoft; Apple; Mozilla), you can manage your browser cookie preferences to, for example, automatically accept cookies, automatically decline cookies, or notify you before receiving a cookie.

You can find more information about cookies generally at: [www.allaboutcookies.org](http://www.allaboutcookies.org)

If you use our Site and choose not to disable cookies, you agree that we or a third party can place them on your device. Please note that refusing a cookie may affect your ability to access certain content or functionality offered by our website.

### **4. Changes to this Cookie Policy**

We may change or update this Policy from time to time. When we do, we will post the revised Policy on this page with a new "Last Updated" date. Your continued use of our Site following the posting of changes constitutes your acceptance of such changes.
