At the bottom of 12 this document, which was executed presumably in 13 connection with the acquisition by your companies 14 of an interest in FlightLevel Norwood, LLC, there's a document that was titled "Limited 16 17 Liability Company Resolution." And halfway down -- sorry -- at the 18 bottom of the page and for the entire next top of 19 the page on page 2, there's a redacted paragraph that's entitled "Loan Transaction." Do you see 21 22 that? 23 A. Yes, I do. 24 Q. Now, again, without disclosing any Page 57 amounts, can you describe for me, in as 1 comprehensive terms as possible, what your understanding, as you sit here today, is of the loan transaction described in this document? 5 A. I do not know whether it's the loan that 6 I paid off or the referred-to prior note I was 7 receiving. 8 Q. So stepping away from the document now, 9 just tell me, in your best understanding, what 10 loan transactions took place in connection with 11 the transaction that we have been talking about. 12 A. As you're aware, there was a debt transfer that occurred and there was also a debt 13 payment that was made. So I don't know which 14 that refers to. 16 Q. So other than the promissory notes that we discussed from you or from ARR to the 17 sellers --18 19 A. Yes.

I can't answer it. A.

You can't answer because you don't know the specific difference between spill coverage and regular CGL coverage for a fuel provider; is that fair to say?

MR. SIMMS: Third time. MR. HARTZELL: Objection.

A. General liability may include it. But if it's not notated on a certificate, in my mind and the mind of the commission, I believe, it's an area of concern.

MR. FEE: Okay. I'm going to mark this as the next exhibit. (Exhibit 482, Airport Commission Meeting Regular Business Meeting Minutes, February 15, 2017, marked for identification)

I believe these are the documents.

And do these leases contain the same recapture language we talked about earlier with respect to the A, B, C leases? If you don't know off the top of your head, I'm not asking you to confirm it. Just say you don't know.

A. I don't know.

This document was previously marked as Exhibit 207 in the Eichleay deposition. It appears to be the FlightLevel Commercial Permit Application for 2007. Have you seen that before?

A. I believe so.

In 2017, Mr. Donovan sent you a public records request in response to certain testimony regarding Mr. Ryan's recollection that FlightLevel provided additional financial
