

2024

TOYOTA

GR COROLLA

Drive your inner beast.

While some simply weather the storm, this rip-roaring daredevil embraces it. Introducing the rowdiest member of the GR Family, the 2024 Toyota GR Corolla is every gearhead's dream. The exclusively manual-transmission, rally-built hot hatch was born for the track — while still suitable for running errands. Hop in this track-tested, 300 hp,1 turbocharged beast for your most thrilling ride yet.

Circuit Editions shown in Blue Flame and Ice Cap.

Premium shown in Black and Heavy Metal² with available high-mounted rear spoiler.

Premium interior shown in Black Brin Naub[®] trim with gray stitching.

See numbered footnotes in Disclosures section.

Racing vehicles not for sale.

Vehicle modified for off-road racing. Professional driver. Racing vehicle not for sale.

By Enthusiasts. For Enthusiasts.

Passion fuels innovation, and it's our passion for motorsports that fuels Gazoo Racing (GR), Toyota's global motorsports division. Racing gives us the opportunity to challenge ourselves — to find what works and fix what doesn't. Collectively, we grow through every turn of the wheel and every second on the road. From Toyota's return to the World Rally Championship, this dedication to growth has led us to develop GR Corolla, a rallying beast born to push racers to the limit. Toyota is ecstatic to welcome a genuine hot hatch to the rest of the GR lineup of unmistakable sports cars for the everyday driver.

Motorsports DNA

Gazoo Racing started with our unwavering passion for motorsports, and every car that wears the GR badge is developed from this passion. The GR series represents pure sports cars with the DNA of motorsports, with GR Corolla's engine and GR-FOUR originally developed to compete in the World Rally Championship.

Track-tested

Engineered by track-proven drivers, every vehicle that's earned the GR badge has been thoroughly pushed, honed and perfected through extensive testing at racetracks across the globe.

Circuit Edition shown in Blue Flame. Professional driver on closed course. Do not attempt.

G16E-GTS engine

GR Corolla packs 300 horsepower¹ and 273 lb.-ft. of torque into its compact 1.6 liter 3-cylinder turbocharged engine. All this to help reduce its overall weight and provide balance as you maneuver every turn.

PERFORMANCE

An engine with extra thrills.

Engineered to run in the World Rally Championship, GR Corolla is developed to achieve peak motorsports performance. Assembled at the same Motomachi plant as the GR Yaris, you know it's built to help you redefine your limits.

Premium interior shown in Black Brin Naub[®] trim with gray stitching.

6-speed intelligent Manual Transmission (iMT)

All hands and feet on deck. With a 6-speed manual transmission, you've got total control of GR Corolla. Hit the clutch and express yourself with every rev and feel your connection grow with every shift of the stick.

Complimentary 1-year NASA membership

Every 2024 GR Corolla comes with a complimentary 1-year membership to the National Auto Sport Association (NASA).³ As a member, you will enjoy a host of benefits, including one complimentary High-Performance Driving Experience (HPDE),⁴ where you will receive personalized instruction on how to drive your GR Corolla at its limit, and discounted admission to NASA-sanctioned events.

Premium shown in Heavy Metal² with available high-mounted rear spoiler.

Triple exhaust

GR Corolla's trio of exhaust tips show off a unique look, while singing an aggressive exhaust note that's music to your ears. Symmetrically distributed and centered, this growling hot hatch is ready to blast off.

Premium shown in Heavy Metal² with available high-mounted rear spoiler.

GR-FOUR AWD

The all-weather capable GR-FOUR AWD system distributes vigorous power to your front and rear wheels for ultimate traction. Its three drive modes let you transform your driving experience for whatever thrills you're seeking. For city driving, Front Mode splits front and rear torque distribution 60:40. Rear Mode splits 30:70 for when you're cruising, and Track Mode 50:50 for getting in and out of corners. And with an available dual Torsen^{®7} limited-slip differential, optimize traction even further by enhancing its cornering performance and grip, with control of left- and right-hand drive torque distribution Vehicle Stability Control⁵ on the front and rear axles.

HANDLING

Nothing you can't handle.

Vehicle Stability Control

With a push of a button, you can activate GR Corolla's Vehicle Stability Control (VSC),⁵ helping maintain traction and control by automatically applying brake pressure to the wheels. Expert Mode disables TRAC and VSC systems, giving you more control of what you do behind the wheel.

High-performance brakes

Save the heat for burning up the track. Sitting behind GR Corolla's gloss-black 18-in. wheels⁶ are ventilated and slotted brake rotors, featuring four-piston front brake calipers and two-piston rear brake calipers, creating less brake fade.

GR circuit-tuned suspension

For whatever road you take, paved or not, GR Corolla's MacPherson strut front suspension and trailing-wishbone rear suspension offer a wide range of tuning, including a GR-specific setting to boost your wild ride to the next level.

Premium interior shown in Black Brin Naub[®] trim with gray stitching.

DESIGN

There's a reason it's called a hot hatch.

Feel a rush of adrenaline every time you take a look at GR Corolla. With room for five and plenty of space in the rear, sharing the thrill comes easy. Sit inside and the GR-stitched headrests will remind you of what's under the hood, while its unique steering wheel and front sport seats with side bolsters will help you carve into turns.

Premium interior shown in Black Brin Naub® trim with gray stitching.

Premium shown in Heavy Metal² with available high-mounted rear spoiler. Professional driver on closed course. Do not attempt.

Ready for anything

Even at a standstill, GR Corolla looks like it's ready for action. Flared front and rear fenders show off its wider grip of the road, while sporty touches of gloss-black accents, available red-painted calipers and GR badging hint that it's more than just good looks.

Functional design

Flow with the wind. This aggressive but confident design is not just for looks. Designed to enhance performance, the functional side fender vents, rear aero vents and rear diffuser help channel air to reduce drag and increase downforce.

Rear styling

GR Corolla means business in the front, rally in the back. The rear sports a triple exhaust and diffuser to add flair to its performance. Styled with a debossed GR-FOUR logo along the side rocker and available high-mounted rear spoiler, GR Corolla does more than look the part.

Customized by you

Enhance your GR Corolla's look and performance with accessories specifically designed, engineered and tested to fit your vehicle. From a cool air intake to performance shocks, you'll have confidence to push your limits.

See numbered footnotes in Disclosures section.

GR COROLLA CIRCUIT EDITION

Shift up your style.

GR Corolla Circuit Edition comes equipped with a forged carbon-fiber roof that reduces weight and lowers the vehicle's center of gravity, improving aerodynamics and allowing for better handling and driving. Striking red-painted GR brake calipers and Torsen^{®7} limited-slip differential add more style points.

Circuit Edition shown in Blue Flame.

GR COROLLA CIRCUIT EDITION

Circuit Edition shown in Blue Flame.

Unique sporty exterior

Get there with style and purpose. GR Corolla Circuit Edition's bulged hood has functional vents to help keep air flowing through the engine bay while its high-mounted rear spoiler not only looks sharp, it helps keep you planted the faster you go with downforce.

Circuit Edition shown in Blue Flame.

18-in. forged 10-spoke wheels

Hug the road with stylish gloss-black forged 18-in. alloy wheels wrapped in Michelin® Pilot® Sport 4 performance tires.⁶ Lightweight for improved handling and looks that will last the whole day.

Circuit Edition interior shown in Black Brin Naub® trim with blue stitching.

Interior styling

Embrace your inner rally racer when you get behind the wheel of the GR Corolla Circuit Edition. Brin Naub®-trimmed sport seats with blue contrast stitching create the perfect union of sport and style. Also matching is the special edition shift knob featuring forged carbon-fiber and a blue stripe.

Bring fun along for the ride.

12.3-in. Multi-Information Display shown.

12.3-in. Multi-Information Display

Set behind GR Corolla's steering wheel is a 12.3-in. Multi-Information Display that puts the most important info in your line of sight. Power it up and the start-up animation lets you know it's raring to go. And with a GR meter that features digital gauges, a center tach and shift indicator lights — you'll find it easier to focus on what's ahead.

Apple CarPlay® compatibility shown. Screen depiction accurate at time of posting.

8-in. multimedia touchscreen

GR Corolla's 8-in. touchscreen comes standard with wireless Apple CarPlay® and Android Auto™ compatibility. Get directions, have your messages read aloud to you, and text back by voice, all while keeping your hands on the wheel.

JBL® speaker shown.

JBL® Premium Audio

Cleaner, crisper and more dynamic, GR Corolla's available eight-speaker JBL® audio system delivers enhanced sound quality to get you in the mood for every drive.

TOYOTA SAFETY SENSE™ 3.0 (TSS 3.0)

Peace of mind comes standard.

Toyota Safety Sense™ 3.0 (TSS 3.0)¹¹ is a bundle of active safety features included on many new Toyota vehicles at no additional cost. These innovative features were designed to help protect you and your passengers from harm.

GR COROLLA MODELS

Core

Includes these key features

Mechanical/Performance

- ✓ G16E-GTS Engine | 1.6L turbo 3-cylinder
- ✓ 300 hp,¹ 273 lb.-ft. of torque
- ✓ 6-speed intelligent Manual Transmission (iMT)
- ✓ GR-FOUR AWD system with three selectable power settings (front: rear): Front 60:40, Rear 30:70, Track 50:50
- ✓ 4-piston aluminum fixed-caliper disc brakes (front)
- ✓ GR sport-tuned suspension
- ✓ High-performance Michelin® Pilot® Sport 4 235/40R18 summer tires⁶

Exterior Features

- ✓ LED headlights, Daytime Running Lights (DRL), and taillights
- ✓ Matte-black front grille with GR badge, functional air ducts, and integrated LED fog lights
- ✓ Gloss-black front fender vent and GR badge
- ✓ Side rocker panel with debossed GR-FOUR logo
- ✓ Color-keyed rear spoiler
- ✓ Triple exhaust with brushed stainless steel tips
- ✓ Gloss-black power outside mirrors with turn signals
- ✓ 18-in. gloss-black 15-spoke cast alloy wheels⁶

Interior Features

- ✓ Fabric sport seats with gray accent stitching and GR-badged headrests
- ✓ 60/40 split fold-down rear seat
- ✓ 12.3-in. digital Multi-Information Display (MID)
- ✓ GR leather-trimmed tilt/telescopic sport steering wheel
- ✓ GR leather-trimmed shift knob
- ✓ GR-FOUR AWD select dial with three selectable power settings
- ✓ Gray stitched interior accents
- ✓ Smart Key System with Push Button Start
- ✓ Two USB 2.0 ports¹⁹

Audio Multimedia

- ✓ Audio Plus includes:
 - 8-in. touchscreen and six speakers
 - Wireless Apple CarPlay[®] & Android Auto[™] compatible
 - SiriusXM[®] 3-month Platinum Plan trial subscription²¹

Connected Services²²

- ✓ Drive Connect³⁴ capable; subscription required. 4G network dependent.
- ✓ Remote Connect³⁸ with 1-year trial. 4G network dependent.
- ✓ Service Connect⁴⁰ with up to 10-year trial. 4G network dependent.
- ✓ Wi-Fi Connect⁴¹ with up to 30-days/3GB trial. 4G network dependent.
- ✓ Safety Connect^{®23} with up to 10-year trial. 4G network dependent.

Safety Features

- ✓ Toyota Safety Sense[™] 3.0 (TSS 3.0)¹¹
- ✓ Star Safety System[™]
- ✓ Ten airbags²⁴
- ✓ Blind Spot Monitor (BSM)²⁵ with Rear Cross-Traffic Alert (RCTA)²⁶

Packages

- ✓ Performance Package
 - Front and rear Torsen[®] limited-slip differentials (LSD)
 - 4-piston aluminum fixed-caliper disc brakes with red-painted calipers and GR logo (front)

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, or dealer installed after purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

DISCLOSURES

1. Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers. 2. Extra-cost color. 3. NASA membership is non-transferable and expires 1 year after purchase of your GR vehicle. The 1-day High Performance Driving Event (HPDE) is included as a membership benefit and must be redeemed within 1 year from the time of purchase of your vehicle. NASA membership and complimentary HPDE are not redeemable for cash or any other offer. 4. Valid in U.S. only. For qualified drivers over 18 years of age, with a valid driver's license. Participation in high-performance driving creates a risk of personal injury or death and may cause damage to your vehicle that is not covered by your insurance or warranty. Please refer to your insurance policy and your vehicle's *Warranty and Maintenance Guide* that describes the terms and conditions of Toyota's New Vehicle Limited Warranty coverage as well as general owner responsibilities. 5. Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See *Owner's Manual* for limitations. 6. Performance tires are expected to experience greater tire wear than conventional tires. Tire life may be less than 24,000 miles, depending upon driving conditions. 7. Torsen® is a registered trademark of Zexel Torsen, Inc. 8. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected wirelessly to the vehicle. Apple CarPlay® is a registered trademark of Apple Inc. 9. Google, Android, Android Auto and Google Maps are trademarks of Google LLC. To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/requirements [linkto: <https://g.co/androidauto/requirements>]. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audio-multimedia/>. To learn more about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. 10. JBL® is a registered trademark of Harman International Industries, Inc. 11. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for limitations. 12. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian, a bicycle, or a motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See *Owner's Manual* for limitations. 13. Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See *Owner's Manual* for limitations. 14. 2023 EPA-estimated mpg rating estimates as determined by manufacturer. EPA estimates not available at time of posting. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. 15. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See *Owner's Manual* for limitations. 16. The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See *Owner's Manual* for limitations. 17. Automatic High Beams operate at speeds above 21 mph. See *Owner's Manual* for instruction and limitations. 18. Road Sign Assist only recognizes certain road signs. See *Owner's Manual* for limitations. 19. May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. 20. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. **Service subject to the SiriusXM Customer Agreement and Privacy Policy; visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349.** Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 21. SiriusXM® services require a subscription after trial period. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. 22. Toyota Connected Services depend on certain factors outside of Toyota's control in order to operate, including cellular network availability and GPS signal. Without either of these things, operability may be limited or precluded, including access to response center and emergency support. Services vary by vehicle and are subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/>. For Toyota's Connected Services' data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. All trials begin on original purchase or lease date of new vehicle, with the exception of Wi-Fi for which trial begins at time of activation. Paid subscription required after trial (if applicable). 23. Safety Connect® depends on factors outside of Toyota's control in order to operate, including cellular network availability and GPS signal. Without either of these things, operability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. If subscription includes Automatic Collision Notification, it will activate only in limited circumstances. Services vary by vehicle and are subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/>. For Toyota's Connected Services' data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. A Safety Connect® trial is included for up to 10 years on select vehicles with paid Connected Services packages. See your Toyota dealer for details. 4G network dependent. 24. Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See *Owner's Manual* for limitations. 25. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See *Owner's Manual* for limitations. 26. Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See *Owner's Manual* for limitations. 27. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. 28. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. 29. This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. 30. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). 31. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for limitations and details. 32. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. The Bluetooth® word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license. 33. Rated for 12 volts/10 amps. See *Owner's Manual* for additional limitations and details. 34. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. 35. Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. 36. Intelligent Assistant requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. 37. On select models, Destination Assist will require a trial or subscription to Drive Connect. Availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including a cellular connection and GPS signal. Without either of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription to Drive Connect after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). 38. Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect depends on certain factors outside of Toyota's control in order to operate, including cellular network availability and GPS signal. Without either of these things, operability may be limited or precluded. Services subject to change at any time without notice. Bluetooth® connectivity is required if your subscription includes Digital Key capability. Remote start/stop only available on select models. See your Toyota dealer for details. Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/>. To learn about Toyota's Connected Services' data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). 39. An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. 40. Service Connect depends on certain factors outside of Toyota's control in order to operate, including cellular network availability and GPS signal. Without either of these things, operability may be limited or precluded. Information provided is based on the last time data was collected from vehicle and is not real-time data. Services vary by vehicle and are subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and <https://www.toyota.com/connected-services/>. To learn about Toyota's Connected Services' data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. The Service Connect trial is included for up to 10 years. 4G network dependent. 41. Service not available everywhere or in every vehicle. Depends on cellular network availability and GPS signal. Without either of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Paid subscription required after trial. Select models include Integrated Streaming capability, which requires a separate subscription to third-party provider services. Data charges may apply. Valid in the contiguous U.S. and Alaska. Go to <https://myvehicle.att.com/#/toyota/learn?language=en&country=US> for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires when 30 days or the earlier of 3GB of data is used or the

DISCLOSURES

1-month period ends. Subscription required after trial. Integrated Streaming requires separate subscriptions to third-party provider services. Terms of Use apply. **42.** Apple Music and the Apple logo are trademarks of Apple Inc., registered in the U.S. and other countries. Requires Wi-Fi Connect subscription after trial (if applicable) and your own Apple Music account. **43.** Amazon, Amazon Music, and related marks are trademarks of Amazon.com, Inc., or its affiliates. **44.** Requires cellular network availability, a cellular connection and GPS signal. May not work in all areas. Service may vary by vehicle and region. See Toyota dealer for details and exclusions. **45.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. **46.** Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details. **47.** Smart Stop Technology® will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See *Owner's Manual* for limitations. **48.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See *Owner's Manual* for limitations. **49.** Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear-end collisions. **50.** The engine immobilizer is a state-of-the-art anti-theft system initiated when the key is inserted into ignition switch or a Smart Key fob is in/near the vehicle. Engine will only start if the code in the transponder chip inside the key/fob matches the code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or fob, see a Toyota dealer or go to www.aloa.org to find a qualified locksmith for high-security key service. **51.** Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 (AKI) or higher. If premium fuel is not used, performance will decrease. If unleaded gasoline with an octane rating of 91 (AKI) is not available, unleaded gasoline with an octane rating of 89 (AKI) may be used. See *Owner's Manual* for details. **52.** The Parking Sensors system is designed to assist drivers in avoiding potential collisions at very slow speeds. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the system to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for limitations.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

Mobility

For Toyota Mobility program details, go to www.toyota.com/mobility or call the Toyota Brand Engagement Center at 1-800-331-4331
