

TOYOTA

2024 Sequoia

2024 SEQUOIA

Resilient from the ground up.

Get ready for the ultimate adventure upgrade in the 2024 Toyota Sequoia. From its striking design and luxurious interior to its awe-inspiring performance and boundless capabilities, this pinnacle of sophistication elevates every drive and unleashes a new chapter of extraordinary memories.

Capstone shown in Supersonic Red. Extra-cost color.

PERFORMANCE

Built to go big.

Living up to its sizable presence, Sequoia continues to prove itself with its strength. Its towing capability and off-road ability that pair perfectly with its smooth ride and powerful hybrid engine make Sequoia as versatile as it is stylish.

i-FORCE MAX twin-turbo V6 hybrid powertrain

Sequoia's i-FORCE MAX twin-turbo V6 hybrid engine elevates the performance of every drive. Thanks to an electric motor uniquely placed between the engine and the 10-speed automatic transmission, you can feel the smooth shifts and instant response of 437 horsepower and 583 lb.-ft. of torque with every press of the pedal.

Efficiency

With Sequoia's i-FORCE MAX engine, you have incredible power and up to an EPA-estimated 22 combined mpg rating.¹ With Sequoia's i-FORCE MAX engine, you have incredible power and efficiency from a twin-turbo V6 hybrid powertrain.

Max towing capacity of up to 9520 lbs.² with Integrated Trailer Brake Controller³

Discover more peace of mind when towing. Sequoia's standard multi-link rear suspension delivers a smooth ride and towing stability, while available Load-leveling Rear Height Control Air Suspension, along with Adaptive Variable Suspension (AVS), can help adjust Sequoia's height according to driving conditions.

Multi-Terrain Select and Crawl Control

Sequoia is fit and ready to perform for practically every off-road adventure. Available Multi-Terrain Select (MTS), Crawl Control (CRAWL)⁴ and Downhill Assist Control (DAC)⁵ work to help provide optimal traction over rugged terrain.

INTERIOR

Comfort within reach.

When luxury is immersive, it can be felt. And every element of Sequoia's interior gives you the feeling of luxury and the experience of comfort — all you need to do is step inside.

Leather-trimmed seating with heated and ventilated first- and second-row seats

Sequoia brings comfort year-round. Standard heated front seats and available heated and ventilated first- and second-row seats warm you up on cold winter nights and cool you off on hot summer days, so you can enjoy every drive, every day of the year.

6-in. sliding and available power-folding third row with adjustable cargo shelf system

Keep every passenger comfortable with available power-folding third-row seats. If you don't have added passengers, the seat can easily fold down and slide forward or backward. And the cargo shelf system with high weight capacity can help organize more of your things, so you can bring more along for the ride.

Panoramic moonroof

Immerse yourself in the beauty of the outside world with Sequoia's available panoramic moonroof. Its large size allows for natural light and gives passengers a view of a clear blue sky during the day or a moonlit skyline at night.

Second-row bench seating or captain's chairs

Sequoia's size speaks for itself. With second-row bench seats that make room for up to eight or available captain's chairs that seat up to seven, the whole family can stay close and still have plenty of space.

Capstone interior shown in Black/White leather trim. Always drive safely and obey traffic laws.

14-in. Toyota Audio Multimedia touchscreen

Scaled perfectly to Sequoia's spacious interior is the large, available 14-in. Toyota Audio Multimedia touchscreen. While the clear display is easy to see, it's also easy to use. Dual Bluetooth® phone connectivity makes undistracted driving easier with hands-free phone capabilities, while available Drive Connect⁷ — with Cloud Navigation and Intelligent Assistant — helps you find where you need to be.

12.3-in. full-color Multi-Information Display

Customize the available 12.3-in. full-color Multi-Information Display (MID) to your liking. Rearrange the driving information you want to see so you can enhance your everyday driving experience.

12.3-in. digital meter shown.

Digital rearview mirror with HomeLink®

Connected to a camera in the rear, Sequoia's available digital rearview mirror can cast a clearer, wider and obstruction-free view of what's behind you. You can zoom in, zoom out and adjust the mirror to give you a better perspective. Integrated HomeLink® universal transceiver buttons provide easy access to your garage door and more.

TECHNOLOGY

Sophistication at its finest.

Featuring modern upgrades, Sequoia is filled with conveniences made to enhance every drive. With its available tech, like a 14-in. touchscreen display, Qi wireless charging¹¹ and digital rearview mirror, a comfortable drive is always within reach.

Digital rearview mirror shown.

CONVENIENCE

Make every drive easier.

With its mindful design, Sequoia can make your drives easy. From easing loading and unloading to helping you get where you need to go, it has the thoughtful details that put you at ease.

Panoramic View Monitor

Load up and head out with added peace of mind. The available Panoramic View Monitor (PVM)¹² gives you a full 360-degree view of the vehicle with a trailer hitch line. This provides additional visibility and guidance as you park or back up to hitch a trailer.

Power-extending running boards

Step into your comfort zone. Available power running boards are concealed when the driver and passenger doors are closed, then move into position when the doors open, so you can conveniently get into and out of your Sequoia.

Hands-free liftgate

When your hands are full with bags of groceries or heavy luggage, Sequoia's available hands-free liftgate¹³ takes the pressure off by giving you an extra hand. With a simple kick of the foot under the rear bumper with the key fob in your possession, the liftgate opens automatically so you can easily load your belongings. And when you're unloading, press the close-and-lock button when you have all your things. Sequoia's rear sensor is designed to detect when you're away from the area and automatically close the rear gate and lock all your doors.

Capstone shown in Supersonic Red, Extra-cost color.
Cargo and load capacity limited by weight and distribution.
Always properly secure cargo and cargo area.

10-in. Head-Up Display

An available 10-in. color Head-Up Display (HUD) projects your speed, certain safety alerts and other customizable driving info right onto the windshield so you can focus on the drive.

Capstone shown in Supersonic Red. Extra-cost color.

EXTERIOR

Style meets substance.

With a distinctively modern front grille and unmistakable SUV silhouette, Sequoia makes a bold statement. Standout details like a stunning wheel design and high-output LED headlights make this an SUV unlike anything you've ever seen.

LED auto-leveling headlights with sequential turn signals

See the road more clearly with Sequoia's available LED auto-leveling headlights. These high-grade headlights look stylish and are designed for increased visibility when you're driving at night. Sequoia's sequential turn signals also enhance clarity for other drivers, so everyone may share the road safely.

Platinum shown in Blueprint.

Wheel design

Look good wherever you are. The sleek design of the large, available 22-in. alloy wheels enhances Sequoia's sizable presence while capturing luxury from another angle.

Power-extending tow mirrors

Put your mind at ease by feeling good about what you're towing. Available power-folding, -extending and -retracting tow mirrors increase your ability to see, and help make towing easier and safer.

Never tow beyond a vehicle's published towing capacities.

TRD Pro shown in Ice Cap. Off-roading is inherently dangerous. Abusive use may result in personal injury or vehicle damage.

TRD Sport

With stylish 20-in. TRD Sport alloy wheels, sport-tuned suspension with Bilstein®¹⁴ shocks and “TRD SPORT” badging, this Sequoia has looks that can’t be ignored. Meanwhile, inside, a red TRD Push Button Start, TRD shift knob and aluminum sport pedals enhance its vibe. TRD Sport Package available on SR5.

TRD Off-Road

Off-road ready with TRD-tuned Bilstein®¹⁴ shocks, an electronically controlled locking rear differential and advanced off-road tech like Multi-Terrain Select (MTS), Multi-Terrain Monitor (MTM), Crawl Control (CRAWL)⁴ and Downhill Assist Control (DAC),⁵ this SUV will get you going. And to make sure everyone knows whom to follow, TRD Off-Road alloy wheels with all-terrain tires, “TRD OFF-ROAD” badging, red front-axle drive shafts and interior TRD styling highlight what you’ve got. TRD Off-Road Package available on SR5, Limited and Platinum 4WD models.

TRD Pro

Stand out from the pack. Featuring a heritage-inspired “TOYOTA” front grille with integrated LED light bar and amber marker lights, TRD Pro skid plate, black technical-camo-grained overfenders, 18-in. TRD Pro matte-black forged-aluminum BBS®¹⁵ wheels and TRD Pro dual-tip exhaust — its look is totally unique. Add 2.5-in. FOX®¹⁶ Internal Bypass shocks with rear piggyback reservoirs on the outside, and TRD-stitched seating, a TRD heated steering wheel and standard second-row captain’s chairs on the inside, and you’re ready for a confident, comfortable ride — on or off the trail.

TRD FAMILY

Defy boundaries.

With a wide range of special enhancements in performance, capability and styling, Toyota Racing Development (TRD) builds upon the Sequoia and gives you three grades to take on the great outdoors. Whether you choose TRD Sport, TRD Off-Road or TRD Pro, you’re sure to find yourself behind the wheel of an absolute force, on and off the trail.

Off-roading is inherently dangerous. Abusive use may result in personal injury or vehicle damage.

AUDIO MULTIMEDIA

Amplify your drive.

Enhance every drive with an experience that's all about you. Whether enjoying the sounds of your favorite soundtrack or interacting with an interface that you're familiar with, you'll always be surrounded by comfort.

Platinum interior shown in Black leather trim.

JBL® Premium Audio system

Immerse yourself in quality sound with Sequoia's available JBL®¹⁷ Premium Audio system. A 14-speaker, 800-watt audio system equipped with a subwoofer, it provides phenomenal sound that amplifies every drive.

Screen depictions accurate at time of posting.

Wireless Apple CarPlay®

Bring along a familiar face. With Sequoia's Apple CarPlay®²⁰ compatibility, you can use your compatible iPhone®²¹ with the multimedia system to get directions, make calls, send and receive messages, and listen to music, all while staying focused behind the wheel.

Wireless Android Auto™

Stay connected on the road. By connecting your compatible Android™¹⁸ phone with the audio multimedia system, Android Auto™¹⁹ compatibility lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

SiriusXM® Platinum Plan 3-month trial

SiriusXM®²² has premium entertainment that you won't hear anywhere else. With the Platinum Plan, you get 425+ channels, including 165+ channels in your vehicle, to enjoy ad-free music, plus sports, news, talk, comedy and more. Experience even more on the SXM® App, featuring expertly curated podcasts, Xtra channels of music, personalized Pandora® stations, SiriusXM® video and more.

See numbered footnotes in Disclosures section.

Technology that keeps up with you.

Take advantage of smarter and convenient technologies designed to simplify your everyday life.²³ Trial periods available on select models for the listed Connected Services.* 4G network dependent.

Safety Connect®

Round-the-clock help when the unexpected happens:²⁴

- ✓ Emergency Assistance Button (SOS)
- ✓ Enhanced Roadside Assistance²⁵
- ✓ Automatic Collision Notification
- ✓ Stolen Vehicle Locator²⁶

Service Connect

Being proactive to help keep your vehicle in peak condition:²⁷

- ✓ Vehicle Health Report
- ✓ Vehicle Maintenance Alert
- ✓ Maintenance Reminder

Wi-Fi Connect

Turn your Toyota into a hotspot with 4G connectivity:²⁸

- ✓ AT&T Hotspot

Drive Connect

Enhanced features to get you where you need to be:⁷

- ✓ Destination Assist²⁹
- ✓ Intelligent Assistant⁹
- ✓ Cloud Navigation⁸

Remote Connect

Manage your vehicle, including remote start and much more.³⁰

- ✓ Remote Vehicle Start
- ✓ Unlock/Lock
- ✓ Remote Notifications
- ✓ Guest Driver
- ✓ Smartwatch Compatibility

TOYOTA SAFETY SENSE™ 2.5 (TSS 2.5)

Peace of mind comes standard.

Toyota Safety Sense™ 2.5 (TSS 2.5)³¹ is the bundle of active safety features included on many new Toyota vehicles at no additional cost. TSS 2.5's comprehensive features create in-the-moment safety designed to help protect you and your passengers from harm.

Pre-Collision System with Pedestrian Detection³²

Full-Speed Range Dynamic Radar Cruise Control³³

Lane Departure Alert with Steering Assist³⁴

Automatic High Beams³⁵

SEQUOIA MODELS

SR5

Includes these key features

Mechanical/Performance

- ✓ i-FORCE MAX Twin-Turbo V6 Hybrid
- ✓ 437 hp @ 5200 rpm; 583 lb.-ft. @ 2400 rpm
- ✓ 10-speed Electronically Controlled automatic Transmission with intelligence (ECT-i)
- ✓ Selectable driving and TOW/HAUL modes
- ✓ Towing hitch receiver and wiring harness with 4-pin/7-pin connector²
- ✓ Integrated Trailer Brake Control (ITBC)³
- ✓ Rear-Wheel Drive (RWD) or 4WD Demand part-time 4WD
- ✓ 21 city/24 highway/22 combined est. mpg rating¹ (4x2)
19 city/22 highway/20 combined est. mpg rating¹ (4x4)

Exterior Features

- ✓ 18-in. silver-painted alloy wheels
- ✓ LED headlights with Daytime Running Lights (DRL)
- ✓ LED fog lights

Interior Features

- ✓ 12.3-in. digital meter with selectable gauge display screens
- ✓ Three-zone automatic climate control
- ✓ Power tilt/slide moonroof with sliding sunshade
- ✓ Panoramic View Monitor (PVM)¹²

Safety/Convenience

- ✓ Toyota Safety Sense™ 2.5 (TSS 2.5)³¹ includes:
 - Pre-Collision System with Pedestrian Detection (PCS w/PD)³²
 - Full-Speed Range Dynamic Radar Cruise Control (DRCC)³³
 - Lane Departure Alert with Steering Assist (LDA w/SA)³⁴
 - Lane Tracing Assist (LTA)³⁶
 - Automatic High Beams (AHB)³⁵
 - Road Sign Assist (RSA)³⁷

Audio Multimedia

- ✓ 8-in. Toyota Audio Multimedia touchscreen with wireless Apple CarPlay^{®20} & Android Auto^{™19} compatibility, and SiriusXM^{®22} with 3-month Platinum Plan trial subscription²²

Connected Services

- ✓ Safety Connect[®] with up to 10-year trial.²⁴ 4G network dependent.
- ✓ Remote Connect-capable; subscription required; select features only.³⁰ 4G network dependent.
- ✓ Drive Connect-capable; subscription required.⁷ 4G network dependent.
- ✓ Service Connect with up to 10-year trial.²⁷ 4G network dependent.
- ✓ Wi-Fi Connect with up to 3 GB within 30-day trial.²⁸ 4G network dependent.

Packages/Options

- ✓ SR5 Premium Package
- ✓ TRD Sport Package
- ✓ TRD Off-Road Package
- ✓ Digital display rearview mirror
- ✓ Power-extending tow mirrors

Limited

Adds to or replaces features offered on SR5

Mechanical/Performance

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components, including the battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. Refer to applicable *Warranty and Maintenance Guide* for details.

Hybrid Battery: HV battery is covered for 10 years or 150,000 miles, whichever comes first. Warranty coverage is subject to terms and conditions. Refer to applicable *Warranty and Maintenance Guide* for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

DISCLOSURES

1. EPA-estimated 21 city/24 highway/22 combined mpg rating for 2024 Sequoia SR5, Limited, Platinum and Capstone 4x2; EPA-estimated 19 city/22 highway/20 combined mpg rating for 2024 Sequoia SR5, Limited, Platinum, TRD Pro and Capstone 4x4. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. 2. Never tow beyond a vehicle's published towing capacities. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. Follow all instructions in your *Owner's Manual*. 3. Integrated Trailer Brake Controller is an electronic system that operates in tandem with a trailer equipped with an electric braking system. It is designed to help the driver maintain trailer control by increasing or reducing trailer braking based on trailer weight. It is not a substitute for safe towing practices. Factors including speed, weather, road conditions and driver input can all affect trailer braking control. See *Owner's Manual* for additional limitations and details. 4. Crawl Control is designed for driving on difficult terrain at low speeds and assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. See *Owner's Manual* for additional limitations. 5. Downhill Assist Control is designed to help driver maintain vehicle control and speed on steep, downhill descents and is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can affect the DAC's ability to prevent loss of control. See *Owner's Manual* for additional limitations and details. 6. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. The Bluetooth® word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license. 7. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. 8. Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. 9. Intelligent Assistant requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. 10. HomeLink® and the HomeLink® house icon are registered trademarks of Genex Corporation. 11. Charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. 12. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See *Owner's Manual* for limitations. 13. Water, weather, dirt, and other conditions may cause the hands-free power liftgate sensor to not operate properly. See *Owner's Manual* for limitations. 14. Bilstein® is a registered trademark of ThyssenKrupp Bilstein GmbH FED REP GERMANY. 15. BBS® is a registered trademark of BBS of America, Inc. 16. FOX is a registered trademark of FOX Factory, Inc. 17. JBL® is a registered trademark of Harman International Industries, Inc. 18. Google, Android, Android Auto, YouTube Music and other marks are trademarks of Google LLC. 19. To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/requirements. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audio-multimedia/>. To learn more about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. 20. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected wirelessly to the vehicle. Apple CarPlay® is a registered trademark of Apple Inc. 21. iPhone® is a registered trademark of Apple Inc. All rights reserved. 22. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. **Service subject to the SiriusXM Customer Agreement and Privacy Policy; visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349.** Some services and features are subject to device capabilities and location availability. All fxs, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 23. Toyota Connected Services depend on certain factors outside of Toyota's control in order to operate, including cellular network availability and GPS signal. Without either of these things, operability may be limited or precluded, including access to response center and emergency support. Services vary by vehicle and are subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/>. For Toyota's Connected Services' data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Connected Services trials are at no extra cost. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply. 24. Safety Connect® depends on factors outside of Toyota's control in order to operate, including cellular network availability and GPS signal. Without either of these things, operability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. If subscription includes Automatic Collision Notification, it will activate only in limited circumstances. Services vary by vehicle and are subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/>. For Toyota's Connected Services' data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. A Safety Connect® trial is included for up to 10 years on select vehicles with paid Connected Services packages. See your Toyota dealer for details. 4G network dependent. 25. Requires cellular network availability, a cellular connection and GPS signal. May not work in all areas. Service may vary by vehicle and region. See Toyota dealer for details and exclusions. 26. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. 27. Service Connect depends on certain factors outside of Toyota's control in order to operate, including cellular network availability and GPS signal. Without either of these things, operability may be limited or precluded. Information provided is based on the last time data was collected from vehicle and is not real-time data. Services vary by vehicle and are subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and <https://www.toyota.com/connected-services/>. To learn about Toyota's Connected Services' data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. The Service Connect trial is included for up to 10 years. 4G network dependent. 28. Service not available everywhere or in every vehicle. Depends on cellular network availability and GPS signal. Without either of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Paid subscription required after trial. Select models include Integrated Streaming capability, which requires a separate subscription to third-party provider services. Data charges may apply. Valid in the contiguous U.S. and Alaska. Go to <https://myvehicle.att.com/#/toyota/learn?language=en&country=US> for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires when 30 days or the earlier of 3GB of data is used or the 1-month period ends. Subscription required after trial. Integrated Streaming requires separate subscriptions to third-party provider services. Terms of Use apply. 29. Destination Assist requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. 30. Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect depends on certain factors outside of Toyota's control in order to operate, including cellular network availability and GPS signal. Without either of these things, operability may be limited or precluded. Services subject to change at any time without notice. Bluetooth® connectivity is required if your subscription includes Digital Key capability. Remote start/stop only available on select models. See your Toyota dealer for details. Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/>. To learn about Toyota's Connected Services' data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. 31. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for limitations. 32. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See *Owner's Manual* for limitations. 33. Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See *Owner's Manual* for instructions and limitations. 34. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See *Owner's Manual* for limitations. 35. Automatic High Beams operate at speeds above 21 mph. See *Owner's Manual* for instruction and limitations. 36. The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. Not available on vehicles with manual transmissions. See *Owner's Manual* for limitations. 37. Road Sign Assist only recognizes certain road signs. See *Owner's Manual* for limitations. 38. Softex® is a registered trademark of Toyota Motor Sales, U.S.A., Inc. 39. Extra-cost color. 40. This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner.

DISCLOSURES

41. Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions. **42.** Genuine Toyota Paint Protection Film by 3M™ is designed for specific sections of the vehicle most prone to chipping and may vary depending on vehicle model. Select applications may require an additional charge. Toyota Genuine Accessory Warranty only applies when installation is performed by a trained Toyota-approved installer. See Toyota dealer for details. **43.** Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). **44.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See *Owner's Manual* for limitations. **45.** Do not exceed 120V. See *Owner's Manual* for additional limitations and details. **46.** Rated for 12 volts/10 amps. See *Owner's Manual* for additional limitations and details. **47.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See *Owner's Manual* for limitations. **48.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for limitations and details. **49.** Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See *Owner's Manual* for limitations. **50.** Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See *Owner's Manual* for limitations. **51.** Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details. **52.** Smart Stop Technology® will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See *Owner's Manual* for limitations. **53.** Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See *Owner's Manual* for limitations. **54.** Active front headrests can help reduce the extent of whiplash in certain types of rear-end collisions. **55.** Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See *Owner's Manual* for instructions and limitations. **56.** An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. **58.** Apple Music and the Apple logo are trademarks of Apple Inc., registered in the U.S. and other countries. Requires Wi-Fi Connect subscription after trial (if applicable) and your own Apple Music account. **59.** Amazon, Amazon Music, and related marks are trademarks of Amazon.com, Inc., or its affiliates. **60.** Before towing, confirm Stop and Start Engine System is disengaged (V6 gas models only). **61.** Auto LSD is an electronic, brake-actuated limited-slip differential that automatically activates when VSC is disengaged at low speeds. See *Owner's Manual* for limitations. **62.** When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See *Owner's Manual* for additional limitations and details. **63.** Trailer-Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **64.** The backup camera does not provide a comprehensive view of the rear area of the vehicle/trailer. When using straight path assist, driver should confirm clearance and is still responsible for safe operation. See *Owner's Manual* for limitations. **65.** Falken is a registered trademark of Sumitomo Rubber Industries, Ltd. **66.** Payload includes the weight of occupants, cargo and options and is limited by weight distribution.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Toyota Sequoia is designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing hitch receiver/ball mount kits are not intended to provide crash protection. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.
