Our mission:

Our mission is to create a unique, safe, structured and nurturing atmosphere that allows recovering women to heal from the disease of addiction and alcoholism. We are devoted to creating a safe environment where they are free to grow, recover, thrive, help others, and re-enter society.

Our vision:

Our vision is to provide any women, who suffers from the disease of addiction and alcoholism a safe structured and affordable residential home. A home where they may be free of all mind and mood altering substances. A place where they can find the opportunity for a new way of life. We work together as a community in the spirit of unity and cooperation. Love, acceptance, and tolerance is our code. We will work towards the recognition and respect of the community as a viable program for recovering women who suffer from the disease of addiction and alcoholism. By being a charitable organization, we seek any and all donations to make this sober living home a reality for women.
