The funds raised at the 2025 Bayou Terrebonne Boucherie will go towards the efforts to construct the Bayou Terrebonne Paddle Trail. The first of its kind in Terrebonne Parish, it will give residents and tourists access to the bayou like never before with a series of floating docks and launches beginning in Downtown Houma. By building the first floating launch in Houma, we'll promote not only the health of our citizens in a fun way unique to our region but also the health of our town's main artery, Bayou Terrebonne.

If mailing a check, please mail it to:
8043 Main Street
Houma, LA 70360
