

The purpose of the Hache Grant Association is to facilitate specific, actionable, and measurable revitalization initiatives to enhance the quality of life in Terrebonne Parish.

Historically, a bandstand was considered the center of the community. The Hache Grant's mission is as such to bring back the sense of community and pride within that community. With this in mind, we decided our first project would be to replace the historic bandstand that once stood in the downtown Houma Court House Square.

With funds raised from our first two years of events, we successfully completed the new bandstand and gifted it to the people of Terrebonne Parish for our recent Terrebonne Bicentennial.

When improving quality of life in Terrebonne was most basic and necessary after Hurricane Ida tore through Houma, Louisiana, the Hache Grant Association:

- operated a free general store downtown Houma
- provided free shower and laundry facilities in Pointe aux Chenes for six-months
- provided funds and transportation for 60 families from our bayou communities to "make groceries"
- donated and delivered 5 storage sheds to families
- distributed trailer-loads of supplies and hot food to those in need

To date, the HGA has raised and donated over \$350,000 back into Terrebonne Parish, all the while hosting several community revitalization initiatives.

LOUISIANA
TRAVEL
ASSOCIATION

2022 COMMUNITY PARTNERSHIP LOUEY AWARD RECIPIENT

***Nominated by the Houma Area
Convention & Visitors Bureau:***

"This award is presented to a group of organizations and/or individuals who collaborate on a community-driven initiative to make their area an attractive place for visitors. Nominations should showcase how organizations partnered together to work with elected officials, garner grassroots involvement, improve public policy and better their community. Nominations should also show the origins of the project and how each partner was involved."

Partner with the Hache Grant Association and sponsor two great annual events aimed at increased quality of life in Terrebonne Parish.
