

Gloxon 45" DC Ceiling Fan with Light

CF3201LR

The CF3201LR features a sleek design that seamlessly fits into your living room. It instantly enhances the space, making it cooler and brighter—ideal for activities ranging from movie nights to family game sessions. The high CRI (≥ 90) LED light lets you dim the brightness and adjust the color temperature from 3000K to 6000K. The gentle breeze from the fan, combined with the adjustable LED light, ensures everyone's comfort, while the convenient remote control makes it easy to operate.

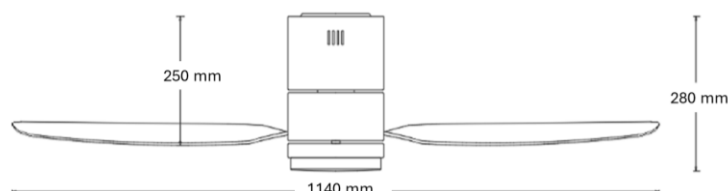

Key Feature

- ❖ **Energy Saver** - High-performance DC brushless motors are more energy efficient, helping you save on electricity costs and being better for the environment.
- ❖ A remote control allows you to adjust brightness and color temperature (3000K–6000K), offering warm to cool daylight and a CRI ≥ 90 .
- ❖ High-quality material is durable and resistant, designed to last.

Product Specification

Power Input Voltage	220-240V, 50/60Hz
Type Ceiling Mount	Hugger
Type of Motor	Brushless DC Motor
Power Consumption (Watts) Low/Max	3W/35W
Product Diameter (mm/inch)	1140/45"
Housing/Blade Material	Metal / ABS
RPM – Min/Max	83 / 260
Air Delivery (CFM) Low/Max ft ³ /min	800 / 6100
Speed Level Control	6 Speeds
Timer (off)	1H/4H/8H
Reverse Mode	Yes

Remote Control	Included
LED lifetime	30000H
Light power Input (Watts)	18 W
LED Color Temperature (CCT)	3000 – 6000K
LED (CRI)	≥ 90
Lumen	1500
Intended Use / IP Rating	Indoor / IP20
Noise Level (dB) Max	45 dB
Net Weight / Unit	5.4 Kg
Gross Weight / Unit	7.0 Kg
Carton Dimension Inner (LxDxH)	570x235x245 mm
