Gloxon LED Ceiling Light

CL100E Art. Code: 301012

The CL100E is made from PP for the lampshade and ABS+PC for the back panel, ensuring pressure resistance and durability. It features a patented Easy Mount System for secure installation. The high-quality LED lights offer excellent luminous efficiency with color temperatures of 3000K, 4000K, or 6000K, perfect for brightening your living room.

Key Feature

- ❖ Powered by high-efficiency LED technology, it delivers exceptional brightness with >80 CRI
- ❖ Adjust the color temperature to 3000K, 4000K, or 6000K to create the ideal ambiance for any occasion.
- ❖ High-quality material is durable and resistant, designed to last.
