## Dancer of the Month

~Brooke~

“Brooke has been committed to her contemporary class the entire year, even through quarantine! She is committed to working hard and getting new skills and has been really letting go during improv which has been beautiful to watch! On top of all that talent, she is a pleasure to have in class, the sweetest kid!”

-Miss Tori

We are so Thankful for our Dance Family thanks for supporting us and allowing us to teach your dancers.

What are you thankful for we will have our turkey up in the studio ask the desk for a feather and tell us what you are thankful for. We will add it to the turkey.

We are adhering to social distancing while in classes. We encourage parents to remain outside to keep studio sanitized and social distancing possible. Parents MUST wear a mask when in studio (per Governor orders). Only one parent may wait in the lobby. As your dancer enters lobby temperatures will be taken and hands will be sanitized. Teachers will wear mask. Dancers are not required to but may do so at parent discretion, we will make sure dancers take breathing breaks. Classes will end 5 min early so we can sanitize the rooms. If you need to meet with us please email and we will arrange a meeting time. Stay Safe and wash your hands!

PLEASE MAKE TUITION PAYMENTS ONLINE.  
Prefer Zoom email us [info@dancerdc.com](mailto:info@dancerdc.com).
