

EXTRA. EXTRA. *Let's Be Wise!*

Matthew 25:1 – 10

The wise virgins were prepared for the unexpected delay of the bridegroom.

Here are a few questions to prick your thoughts:

1. What would you do if your debit card and/or credit cards did not work for thirty (30) days?
2. What would you do if your cell phones, landlines, computers, televisions did not work? No wi-fi signal for 30 days?
3. What would you do if the power grid was disrupted, went down and your home had no power for 30 days?

NOTICE. The questions are not asking about money.

The announcement has gone out! The King is Coming!

It's possible that part of the assignment of God's extra provision is to prepare His people for disruption while we wait for the Bridegroom, Messiah, Jesus, The Christ to arrive!
