

**Requesting our Congressman Cosign Congressman Fitzpatrick
H. Res. 888**

Hello,

My name is _____ . I live at
_____ in Albany County.

As your constituent, as an American, as a Hibernian I urge you to sign H. Res. 888. This resolution expresses the hope for justice for the victims of the Bloody Sunday Massacre on January 30th 1972. The victims of this incident were unarmed civilians attending a peaceful civil rights protest. Fourteen civil rights protesters were killed by soldiers during this attack. In a time when the civil rights of citizens in parts of our own nation is threatened it is important to show solidarity with those who are victims of violence and injustice everywhere.

This resolution does not only honor the victims of this horrible event but also calls on the authorities of the respective governments to commit to justice and peace on the 50th anniversary of this climactic event. I would be happy to meet with the congressman to talk about this resolution and the issues surrounding it. This Bloody Sunday Massacre was precipitous to much of the violence in the North of Ireland known as the Troubles.

As your constituent, as a Hibernian I urge you to sign H. Res. 888.

Thank you.
