### Tom Hilkemann Memorial Bull

Lot 15 is being sold in memory of Tom Hilkemann. 50% of the purchase price will be given as credit to a beginning, deserving cattleman. Suggestions of deserving individuals are always welcome if you purchase this lot.

### Guarantee

Each bull is sold with a first breeding season guarantee.

### Semen Evaluation

All bulls selling have passed a Breeding Soundness Exam for fertility and soundness prior to the sale. For semen evaluation report, please talk to Matt.

### Star Ratings

The star ratings assigned to each lot is our EPD shortcut system. Many of you are looking for sires to improve specific traits for your program, so let us help simplify your evaluation. These specific traits may include lowering birth weights, increasing or decreasing frame size or improving maternal function. We grade every bull on a 1-5 star rating scale. A 5 star indicates a superior rating for that trait, while a 1 star rating is less desirable.
