HOUSE NUBBY

MODERN TEXTURES

The House Nubby Collection offers a refined array of bouclé textures in graceful neutral tones, crafted to elevate any upholstery. From two tone textures and herringbone patterns to the timeless appeal of plain bouclé and chunky bouclé, each weave exudes a unique tactile richness that brings depth and sophistication to any setting. Enhanced with advanced stain-free technology, these fabrics seamlessly combine luxurious style with enduring durability, making them the perfect choice for modern interiors.
