APPLICATION AGREEMENT

**** Please note we abide by all CA STATE LAWS and will not discriminate against anyone who does the same ****

We are a non-profit organization. The adoption donation is used to partially to recover the costs involved in rescuing this dog. These costs include but are not limited to Shelter fees, spay/neuter, food, housing, vaccinations, de-worming, microchip, and any vet exams or medical care that the dog may have required. We would not have been able to save the life of the dog you are fostering/adopting without the adoption donation from another that came before him/her.

I have read the above carefully and have filled out this application honestly. I understand that an omission and/or failure to answer all questions can result in the application being declined. If an omission or untruth is discovered after an adoption/fostering takes place, I understand that The Southern California Pomeranian Rescue has the right to annul the fostering/adoption and reclaim the dog.

I can ___ cannot ___ make a donation of \$100-\$500 for the dog to help cover costs of the dog we are adopting. Anything over that amount will help with medical care, spay and neuter, board and place other abandoned dogs. [Inability to make a donation does not disqualify an applicant from consideration.] I understand that any donation or contribution is a gift freely given, not a purchase price for a dog. ___ [Initial]

I understand that a home visit is required to final placement ___ [Initial]

I understand that a home visit does not guarantee placement ___ [Initial]

I agree to provide my own collar, leash, harness, and personal ID at the time of completing the adoption contract ___ [Initial]
